

Dedicated Rider Program

At CRE, we offer a unique program for the dedicated, serious equestrian. On a limited/approved basis, we allow a limited number of students to board their horse at CRE or to lease one of our horses (see leasing page for more details). The students must commit to participating in a minimum of 6 lessons per month (group, semi-private, or private lessons), this policy helps to ensure that the students is dedicated to learning and growing with their horse, these lessons do not rollover into the following months they must be utilized the month they were purchased for. Dedicated riders have access to using indoor/outdoor arenas and round pen when lessons are not in session. Dedicated riders have access to participating in a variety of clinics, camps, lessons and events offered onsite by CRE. Dedicated Riders under the age of 18 must be supervised by an adult when riding during open riding times. We do not offer general boarding at our facility.

Board Pricing:

- \$12.50 per day pasture board-includes feeding twice a day and weekly pen cleaning.
- \$15.00 per day covered run-includes feeding twice a day and daily pen cleaning.
