

Cedar Ridge Equine Facility Rules

- Please drive slowly on Rocky Road. This is a small private neighborhood and our neighbors appreciate you driving under the posted 15mph speed limit.
- No one enters the arena without signing a release of liability form first.
- All junior riders must wear a helmet at all times when riding.
- Be pleasant and cooperative so that all participants enjoy themselves.
- Respect Supervision at all times, always be kind, polite and respectful to instructors and to everyone around you. Failing to comply with this rule can result in a call to parents or even being sent home from camp.
- Please stay within designated boundaries at all times.
- No riding outside of the arenas unless specified by your instructor.
- Always put away tools and equipment after using them.
- No gum chewing or eating while on your horse.
- Always check in with a camp instructor/leader before leaving your group (ie: restroom break, etc) To ensure the safety of our campers we need to know where our camper's are at all times.
- Please Clean up after you and your horse-(pick up manure left behind from your horse, clean up area after picking feet and grooming ie: hair droppings, garbage, etc.)
- No cell phones allowed. (They may be kept in a backpack/put away and not used during camp hours. Cell phone use must be approved by a Camp Instructor).
- Wear proper attire while riding (riding boots, pants, helmet-all three are required)
- Do not wear dangly jewelry that could get caught when working with or riding a horse.
- No chewing gum while riding.
- No dogs allowed outside of vehicles without permission form a staff member of Cedar Ridge Equine.
- No Smoking or alcohol on premises.

These small efforts by you are greatly appreciated! *Thanks!*
